HRS Human-Resource Service

• holiday-planner

The screenshot shows the 'miss-out booking' application window. At the top, there are fields for 'Year' (2008), 'personal' (18 - Lusch, Gisela), and a 'clear' button. Below this, there are summary statistics for 2007 and 2008, including 'Reserviert', 'unbere', 'Umsatz', 'to be', 'consent', and 'balance'. A legend on the right lists 'active miss-out' types: 0 keine Fehlzeit, 1 Urlaub, 3 Eingearbeitet, 4 LFZ am Ende/ig, and 5 Krank. The main area contains a 12-month calendar grid for 2008, with days color-coded according to the legend. For example, in August, the 28th is marked as 'Krank' (red), and the 29th is marked as 'LFZ am Ende/ig' (green).
